Capital Improvement

New LVT flooring was installed throughout the building. Thank you to our sponsors: Oregon Food Bank, NW Industrial Flooring, and a generous anonymous donor.

All overhead lighting was replaced with new LED lights, sponsored entirely by the Oregon Energy Trust, which has improved visibility and will result in significant cost savings.

These capital improvements allow us to provide an accessible, welcoming space and enhance our ability to serve clients on-site.

Van Purchase

The purchase of a used transport van has improved our Senior Food Box Delivery and Food Acquisition programs. Thank you Whitney Signs for the signage.

Fundraising Events & Donation Drives

The Spiral Gallery hosted an Empty Bowls Event featuring pottery bowls made by local artists and locally made soups. The event raised nearly \$4,000. Thank you to the soup sponsors: Lew's Drive-In, Cazadero Steakhouse, Sister Moon Gardens, Alton Collins Retreat Center, Mama Joy Catering, and for bowl firing: Valley View Ceramics.

Donation Drive Partners:
